KYNDELL'S MESSAGE to ALM

"Thank you so much for the gift card! I had a great time getting to know all the ladies tonight and cherish these moments of having a safe space to communicate about issues we are currently facing. I can't wait to be a part of the next zoom meeting. Stay well." Best, Kyndell

NETWORK YOUR BUSINESS w/ ALLOVEME

We know we have ladies (and gentlemen) selling products and providing services right here in our ALLOVEME family. We are creating a **business network** so we can generate support for our own businesses and spend our dollars on each other. Use the **Free Ad Flier** to send your name, phone, email, website, social media sites, tag lines. photos, logos, etc. We will send out your information to our ALLOVEME family and post your business or service on our website. Email to: info@alloveme.org

NEW TOPICS

We've added NEW TOPICS to our LOVE program because we heard our young ladies want to talk about colorism, appropriation, relationships, legal matters, hair and more. Check out the full list of topics
