SHE ROCKS! FINANCES CHAT was held in August and what an awesome chat. Thanks so much Ms. Charm and Ms. Claudette and all of our participants for sharing what they were taught, what they learned, and what they are going to do, when it comes to their BENJAMINS.

AFTER THE CHAT LADIES SAY: *"We as women of color must be financially literate and pass it on. We fail because of a lack of knowledge. Good financial stewardship and discipline must be a legacy."* *"I was very happy to see how people shared their life experiences and how we all contribute. It was good to hear about good habits. I've never had a budget but i never spend more than I earn and I always save for a rainy day."*

WE APPRECIATE YOUR DONATIONS!
