## Important Propositions for Californians to Consider Stay Informed!

- 14. Bond for Stem Cell and Medical Research money comes from California's general fund.
- 15. Increased taxes to fund public school, community
   colleges and local government's service would increase
   business property taxes.
- 3. 16. **Affirmative Action** allows for diversity to be a factor in public employment, education and contracting decisions.
- 4. 17. **Voting Rights** restores the right to vote after completion of a prison term.
- 18. Voting Age Lowered allows 17 year olds to vote in primary and special election if they will turn 18 by the next general election.
- 6. 19. Home Protection Changes certain property tax rules for homeowners 55 and up, disabled or wildfire/disaster victims limits taxes on this group of homeowners.
- Crime limits access to parole program established for non-violent offenders – will make offenses currently

- misdemeanors into felonies or increased jail terms. It also means law enforcement would be **required** to collect DNA.
- 8. 21. **Rent Control** allows the establishment of rent control on residential properties that are over 15 years old.
- 22. Employment helps "independent contractors"
   workers such as Uber and Lift drivers. Yes gives them more choice and no gives them less choice but better protections.
- 10. 23. Health requires a doctor to be on site at dialysis treatment facilities. A yes could cause clinics to close because they could not afford to pay a full-time physician.
- 11. 24. **Consumer Privacy Laws** allows consumers to prevent business from sharing personal information, correct inaccurate personal information and *limit business use of sensitive personal information*.
- 12. 25. **Bail Bond System** a yes would replace the money bail system with a system based on public safety and flight risk. A yes vote means you could not pay bail to be released from jail before trial.
